Archdiocese for the Military Services, USA

Ministering to those serving in the US Military.

13-1624090

<https://www.milarch.org/>

The Archdiocese for the Military Services was created by Pope John Paul II to provide the Catholic Church's full range of pastoral ministries and spiritual services to those in the United States Armed Forces. This includes more than 220 installations in 29 countries, patients in 153 V.A. Medical Centers, and federal employees serving outside the boundaries of the USA in 134 countries. Numerically, the AMS is responsible for more than 1.8 million men, women, and children.

Who are we?

The Archdiocese for the Military Services, USA (AMS),

was created by Saint John Paul II to provide the Catholic Church's full range of pastoral ministries to Catholics in the United States Armed Forces, Department of Veterans Affairs (VA) Medical Centers, those in civilian jobs at the service of the federal government outside U.S. borders, and their families.

The AMS is geographically the nation's largest archdiocese, spanning the globe. AMS-endorsed priests go wherever American servicemen and women are stationed, bringing them the sacraments, spiritual support and the Good News of eternal salvation through Jesus Christ.

What We Do

The AMS delivers the same pastoral care and services as does any other Catholic diocese, including:

- Baptism
- Celebration of the Eucharist
- Marriage
- Sacrament of Penance
- Confirmation
- Anointing of the Sick
- Evangelization and Catechesis
- Marriage Cases
- Counseling and Guidance

Unlike a territorial diocese, the AMS has no parishes or parish registries. For this reason, the AMS maintains all records of sacraments celebrated on U.S. Military installations since 1920 at the Edwin Cardinal O'Brien Pastoral Center in Washington, D.C.

The Congregation of the Mother of the Redeemer (abbreviated CRM) is based in Vietnam and dominated by Vietnamese people. It is better known by its former name, the Congregation of the Mother Coredemptrix. "Mother Co-Redemptrix" refers to Mary, mother of Jesus, and her role in redemption. It is a Catholic religious order and the congregation's motherhouse is located in Ho Chi Minh City. The United States Assumption Province maintains a monastery in Carthage, Missouri. Before 1975, the congregation was relatively small in Vietnam, overshadowed by the Dominican, Franciscan, Jesuit,

and Redemptorist institutes, among others.[3] However, in the United States, virtually all Vietnamese Roman Catholics are aware of the congregation. Imitating Jesus Christ, Who comes not to be served, but to serve until death (cf. Mt 20:28), the Priests and Brothers of the Congregation of the Mother of the Redeemer willingly consecrate their lives to God through Mary in order to bring the good news of Love, Mercy, and Hope to everyone, in particular to the Vietnamese people. In 1980, the U.S. Assumption Province of the CRM was established in the United States by the Holy See with the mission to offer pastoral ministry to the Vietnamese in the United States. The Assumption Province now has Priests serving in Vietnamese and American Parishes and communities throughout the United States. At present, the U.S. Assumption Province of the Congregation of the Mother of the Redeemer has 120 members. Among those, there are 75 Priests, 28 Non-Clergy Perpetual Professed Brothers, 10 Temporary Professed Brothers, 3 Novices, 2 Postulants, and 2 Associates. There are 39 priests serving as Pastors, Associate Pastors, or Chaplains in 29 different Vietnamese or American Parishes, within 25 different Dioceses and Archdioceses in the United States. The Congregation is led and guided through the Provincial Council. These are the names, positions, and administrative roles of the members of the provincial council for the 2018-2022 term. These elements, together, provide us with an ambience supporting a spirituality of deep faith and piety. As people of the desert, we long for the cool waters that bring birth and re-freshment. As people of an arid climate, we learn to respect nature in its burning heat and winds. As agrarian people, we trust that God will provide for all our needs. As people of land and river, we respect the rhythms of the earth. As people of the mountains, we go to the summit to seek God.

Florida Catholic

<https://thefloridacatholic.org/>

The Florida Catholic educates and inspires its readers and enriches their lives. It leads them to a deeper understanding and sharing of official Church teaching and a greater commitment to the practical application of that teaching. The Florida Catholic is aware that there also are readers of other faiths or no faith who learn about the Catholic Church from our newspaper. The paper consciously respects and reaches out to these readers ready to help them understand the Catholic faith and welcomes those who are led to become Catholic. The Florida Catholic provides objective, accurate current information about the church, both worldwide and local, and events that reflect the life and activities of the People of God. It responds appropriately to the errors and misrepresentations in the secular media. Since this is a living church made up of imperfect beings with all the blessings of grace and the tragedy of sin, at times the paper is faced with reporting difficult and controversial events. The Florida Catholic will not avoid or sensationalize such events but will report them objectively and fairly. Recognizing within the church the place for legitimate diversity of opinion consonant with Catholic teaching, The Florida Catholic will not hesitate to present divergent view points. The newspaper, however, will never endorse opinions contrary to Catholic faith and teaching nor become a forum for their discussion. When reporting opinions dissenting from Catholic faith and teaching, it will, if necessary, identify them as such. The Florida Catholic has a special responsibility to foster a spirit of unity and pride in the universal church and in the dioceses it serves.

Order of St. Paul the First Hermit

<https://czestochowa.us/about-us/the-pauline-fathers/>

The Pauline Fathers and Brothers are religious order founded in XIII century Hungary by hermits. When the first monks began their communal life they chose as their patron St. Paul of Thebes. That is why the full name of the community is the Order of Saint Paul the First Hermit. The order spread rapidly through Hungary and in other countries. Among them was Poland, where the monks first came in 1382 to cherish and safeguard the Miraculous Image of Our Lady placed at Jasna Gora in Czestochowa. The first monastery in the United States was founded in 1955, when a small farmhouse was purchased in Doylestown PA. The farmhouse was converted into a monastery and the barn into a chapel. In 1966, a large new Shrine to Our Lady of Czestochowa was dedicated. The Monastery in Doylestown still continues to be the Motherhouse of the American Province of the Order. It is also where the Pauline monks minister to all the faithful who visit the Shrine of Our Lady of Czestochowa. The Mission of our Shrine is to bring people of various nationalities and cultures closer to Jesus Christ, through the intercession and devotion to the Blessed Virgin Mary. There are many different ways how we can reach our Savior. Many saints, however, have said, that Mary is the fastest way to Jesus. She is always leading us in the right direction. At the wedding at Cana in Galilee, where Her Son performed His first miracle, she said to the servants: "Do whatever he tells you". She is still

doing the same today. In the Miraculous Icon of Our Lady of Czestochowa, Mary is always pointing at Her Son, Jesus Christ, whispering to our ears, to follow Jesus and do His will.

Our mission: Loving the God we cannot see by loving the neighbor we can.

Retired Priest Endowment

26-0879378

<https://www.cfocf.org/Retired-Priests/>

We are thankful for our priests, whose lives embody the essence of giving. From them we learn firsthand what it means to sacrifice, for they give their own lives as an offering to God, for our sake. From our baptism, to our first communion, to our final goodbyes, we entrust our souls into their hands. And with great love and tender care, they accept. With the passing of time, there comes a point when we as a Church must care for the priests who first cared for us. The Diocese of Orlando currently provides for the needs of our retired priests, and many of our priests are nearing age 70, the age at which they become eligible for retirement. Because of the sacrifices they have willingly made, priests have limited personal resources and no spouses or children to provide for them as they age. And yet as Catholics we know that every priest is our father, every Catholic his child. In a spirit of love, we must care for our senior priests as we would care for our own families, for indeed they are family. Through your gifts, our diocese can ensure that these faithful men receive a comfortable and dignified retirement, with modest housing, basic living expenses, and access to medical care.

Siena College is a learning community advancing the ideals of a liberal arts education, rooted in its identity as a Franciscan and Catholic institution. These Vows are public commitments that each Friar must personally make stating that he will live without property of his own (Poverty), will live a celibate life in community (Chastity), and will sacrifice his needs for the needs of others (Obedience). Friars share what resources they have or gain so that the whole community may be enriched and that they might enrich the lives of others. The Vows are not intended to be burdens, but are embraced as a means of opening one's life to the goodness of God and God's grace in one's life. St. Bernardine of Siena Friary is home to 23 Franciscan friars from Holy Name Province who minister at Siena College and in the local community.

Twenty-six years ago, 11 Sisters of the Incarnation Consecration Mission (ICM) arrived in Orlando to serve the growing Vietnamese community who had resettled in the area in the years following the Vietnam War. Recent refugees themselves, the sisters settled into a two-bedroom house and embarked on their new ministry. In the years that followed, they watched the Vietnamese community having one Mass a month to having its own parish, St. Philip Phan Van Minh. Between their early work with the refugees, their ongoing ministry at the parish, and the presence of Christ they bring to their workplaces, the sisters have touched countless lives. We imitate Christ who has come into the world and become a man in all things but sin. We come to the people and work among them, live among them, and be with them as witnesses to Christ. As Jesus consecrated himself to his Father and to his mother as a son, we

dedicate ourselves in the footsteps of Jesus in that way.

The Society of Sisters for the Church was founded in Paterson, New Jersey by Sister Eileen Kelly, PVBm who at that time was Vicar for Religious in the Diocese. This new community began with the blessing of Bishop Frank J. Rodimer, the Bishop of Paterson at that time. The community was a response to the interest of a number of religious women who were leaving traditional communities, but wanted to

continue to live a vowed life fashioned on the example of the women of the early Church. Given the birth of the Church was Pentecost, it was decided that it would be the appropriate feast for this community. The members of the Society of Sisters for the Church are celibate women who live prayerfully and simply and have dedicated themselves for life, through vows of celibacy, obedience and poverty to serve the apostolic needs of the Church. They live in a simple manner, but do not live a common life. They are supported in their dedication by one another and by the people whom they serve.

This Eucharistic center of our Catholic life has nurtured our daily commitment to the Lamb of God to whom St. John the Baptist pointed during his ministry of preparation. In 2015, the challenge for St. John's was welcoming parishioners from the parish of Most Holy Trinity in Yonkers. The merger of MHT with St. John's was part of a multi-year Archdiocesan project entitled "Making All Things New." In the 21st century, we, the parish family of St. John's, prepare for the future with confidence, ready to face new challenges and to welcome new opportunities as we grow together through faith.
