Dear Community Partner,

It is once again time for the annual Holiday Wish List program at YWCA Dayton. Thank you for participating in such a fundamental program for our agency. ***Without your support, we could not do the work we do.***

1. We ask that you purchase new items from the attached wish list. While we want to ensure children in our shelter have a magical experience, we have also seen how meaningful it is for our mothers to be able to receive items to allow them to start their new homes. Please consider variety when donating for the holidays.
2. Are you collecting donations as a group or business? The last page of this packet includes a flier you can attach to donation bins.
3. Please place all gifts in large plastic/garbage bags. We ask that you please **DO NOT WRAP GIFTS**. In order to provide women and children with as much normalcy as possible during this time of trauma and transition, we want families to be able to choose gifts for each other. Please feel free to also donate wrapping paper or gift bags/gift tissue with your donations to support this empowering and important experience for our families.
4. Please complete the included donation form and give to staff with your donation.
5. **Please deliver all donations to YWCA Dayton at 141 W. Third St., Dayton, OH 45402 before Saturday, Dec. 9.** You may deliver items any time 24/7 to our main lobby in our Central Building in downtown Dayton. (15-minute flasher parking on West Third Street is allowed.) Due to the sensitive nature of domestic violence and to maintain the confidentiality of our clients, donors are not permitted to deliver gifts directly to our families.
6. If you have any other questions or you and/or your group are interested in volunteering with YWCA to help in setting up the Holiday Market, please contact [volunteers@ywcadayton.org](mailto:volunteers@ywcadayton.org).
7. Thanks again for your continued support!
